Orinda Growing -- 200 Homes Under Construction Here

There's hardly a hill or valley in Orinda these days that doesn't resound during working hours with the buzz of saws and the bang of hammers, what with more than 220 homes under construction in the area.

Tabulations were made in a personal survey carried on by Mrs. Laura Mallary, Orinda postmaster, and the new assistant postmaster, Edward J. Kuenzli, who are planning on the necessity for re-routing or establishing new delivery routes in an effort to give Orindans the best possible postal service.

UNDER CONSTRUCTION

The following building activity was noted recently in various areas served by the postoffice:

Route 1, adjacent to Moraga Highway in the Oak Springs area, 37 under construction; Route 2, Glorietta-Moraga Del Rey-Overhill Road sector, 102; Route 3, El Toyonal out Orinda Highway, 19; Route 4, Country Club area, 15; Route 5, Charles Hill, Sleepy Hollow and Camino Don Miguel, 47.

ROUTE SIZES

In an over-all picture of the route sizes now, Postmaster Mallary revealed Route 1 includes service to 374 homes; Route 2, 336; Route 3, 395; Route 4, 352; Route 5, 262. Also, 165 persons, half om them business firms, are served through their postoffice boxes, making a grand total of 1,884 patrons besides those who get mail through general delivery.

Orinda is growing larger every day. Continued growth at the present rate leads one to speculate upon how long the community can retain its suburban small-town designation.

ORINDA SUN

Vol. VIII, No. 48 — Lafayette — Orinda, California — Friday, February 9, 1951 — TEN CENTS

Dogs vs. Cattle Fight Heading For Supervisors

Dogs, cattle and people were the main characters in a drama developing this week in the Las Vegas Road section and on some 400 acres of pasture land south and west of there.

Accusations were made that dogs had been shot on the pasture land without prior warning to the dog owners—and that, despite warning to dog owners, dogs had attacked cattle, with the result that two dogs had been killed and one crippled.

Asked about reports that several dogs had been shot by him, D. J. Findlay of 53 Charles Hill Road, who leases the 400 acres from the East Bay Municipal Utility District, said:

"This trouble with dogs has been going on for the past five years. I could have killed 200 dogs in that time, but I merely shot to scare them away. Now they've started to run the cattle.

"About two months ago I was taking a ride around my pasture and I saw the land torn up, obviously by dogs. Six weeks ago I saw two big police dogs running the cattle over Charles Hill clear down to the Crossroads. I killed one dog and crippled the other."

ANOTHER POLICE DOG

Findlay said that early this week he killed another police dog.

"I'm sorry I had to kill the dogs," he said, "but I have to protect my cattle, of which I have a hundred head. As the result of the attack six weeks ago, I have six sick heifers that I'm treating with pencillin; I don't know whether I'm going to lose them or not.

"I've talked this problem over with the people, but to no avail."

TO SUPERVISORS

However, Mrs. E. H. Schmitt of 9 Las Vegas Road said that residents of the area were aroused over the shooting of dogs "without warning to owners" and over the possible danger to children from such shooting. She said a group of about 10 would appear before the Board of Supervisors in Martinez next Tuesday morning in an effort to have the leasing of the pasture land denied to Findlay.

Mrs. Schmitt said she had made an appointment with the board for 10:30 a.m. that day, and that a petition, to be signed "by as many as possible," will be presented to the board. At least 100 persons are concerned over the situation, she said, and she added that it is hoped that that many signatures will be on the petition.

The petition being drawn up this week, Mrs. Schmitt said, will ask for denial of cattle-pasture leasing of the land on the general complaint that the presence of cattle constitutes a nuisance, and will probably bring out the following points and allegations:

The area is mainly residential, with many children; the cattle grazing on the pasture land include at least two "mean" bulls, which are a danger to children; the pasture land should be fenced adequately; properties immediately adjoining the pasture land are annoyed by the presence of flies; pet dogs have been shot without warning to owners, and children following their dogs are endangered by both the shooting and the cattle.

The pasture land, according to Findlay, extends from Charles Hill to the Crossroads and from the highway up to the Orinda Country Club vicinity and back to the area adjacent to Las Vegas Road.

Put Away That Violin; Haircut Prices Unchanged

You'll probably see more "clean cut" men around, now that the cost of haircuts is to remain at the old $1.25 rate for the time being.

The hike from $1.25 to $1.50 was scheduled to go into effect this week. However, local barbers under the jurisdiction of Local Union 917, with headquarters at Pittsburg, were complying with a request to retain the $1.25 charge, which was mailed by Union Secretary Joe Billeci. Cards containing the request were mailed Saturday.

New federal price regulations are credited for the stand, following a ruling given barbers in the District of Columbia concerning retaining usual prices.

Burglary, Fake Checks Hit 3 Markets in Area

Three markets in this area were victimized during the past week—one by burglary and the other two by a fake-check passer.

Both the Super Saver Market in Lafayette and Black's Market in Orinda reported the passing of fictitious checks, Wilson said. The "transactions" occurred late Saturday, during the rush period.

In each instance the same man passed a check for $38.58 drawn on the American Trust Company, San Francisco, and made out to "Patrick Moore" with "W. R. Webster" as payor. Inspector Wilson said both checks were obviously "phoneys."

The sheriff's office was looking for "Patrick Moore" this week. No address had been obtained, but he was described as about 35, blond, weighing 175 or 180 pounds, wearing work clothes and of chunky build.

About 150 cartons of cigarettes, of assorted brands, were stolen from the back storeroom of Lafayette Food Center last Friday night.

Co-owner Harold Karlsrud said he believed the thief or thieves had entered through an open ventilating window after the store was closed, but Inspector Norman Wilson of the sheriff's office said he was not sure if that was the case or if the burglars hid in the store before it closed, took the cigarettes after closing time and went out the window.

Board to Press For School Site At Sleepy Hollow

Plans to press for acquisition of a 14-acre site west of Washington Lane were decided upon by the Orinda Union School District board Monday night, with two immediate hurdles recognized by the trustees:

1.—Arrangement with the Central Contra Costa Sanitary District for sewer service.

2.—Negotiation with the East Bay Municipal Utilitiy District, owner of the land, for its purchase.

According to Joseph L. Sheaff, superintendent of schools, the land, if acquired and if sewer service were installed, would be the location of a primary school, the third school plant in the district, to which additions could be made later.

SITE PREFERRED

Sheaff said that the site was favored by the school board over one which had previously been considered, at San Pablo Creek Road north of the Filter Plant.

The 14-acre site is in Sleepy Hollow, just outside the area where preparations are being made for establishment of Local Improvement District 22 by the sanitary district. It is not on land covered by the sanitary district.

Sheaff and Board Members Edgar Sewart, president, and Jack Fraser appeared at last week's sanitary board meeting to ask whether sewer service could be provided for the property. Sewer District Manager-Engineer John L. Mason suggested that the sanitary board not consider service for the site because the sewage would have to be pumped back over a hill to the sanitary district system.

BOARD DECISION

However, at Monday night's school board meeting at Orinda Grammar School, the school district trustees decided to propose to the sanitary board that sewer service be given to the site if the school district installed a booster pump to effect a gravity flow and paid the difference in cost between an eight-inch connecting pipe from Sleepy Hollow to the trunk line and a six-inch pipe, which is now planned by the sewer board.

Sheaff informed Mason Tuesday of the school board's plan, and the proposal will be offered at the March 1 meeting of the sanitary board.

"This site is better than the one near the Filter Plant," Sheaff said. "It is off the highway and is more centrally located. The feeling of the school board is that we have to buy land and get a building up, to be ready by 1952."

COURT-COSTUMED DONS have been giving an increasingly good account of themselves in basketball play, and here are seven of the reasons why. Left to right, these active Acalanes athletes are Bob Winkenbach, Bob Fox, Bob Kleckner, Bill Littlefield, Bob Borghesani, Art Siler and Roger Linn.

Residents Protest Sewer-Job Delay; Prompt Action Promised by Contractor

Vigorous complaint by residents of Local Improvement District 13 in Orinda Estates that installation of sewers had been greatly delayed resulted in promises by the contractor's representatives that the work would be started this week on improvement of road conditions and that sewers would be installed as soon as possible.

The complaint was made at last week's meeting of the Central Contra Costa Sanitary District board in Walnut Creek. A group of about 10 led by R. J. Beckett, Jr., stated that the contractor, P. and J. Artukovich, was late in getting work under way, that heavy rains have left streets in "rutted and unsatisfactory condition" and that sewer lines are still not connected.

Ivan Bucovic and Mr .Phillippi of the contracting firm assured the people the firm would "get going" this week and would complete the job as soon as possible.

HAUL CRUSHED ROCK

Some of the complainers stated they "spend every weekend" hauling wheelbarrows of crushed rock to fill road-ruts and that "we even go out and fill and light their warning lamps at night."

Inclement weather has delayed the job, the Artukovich representatives stated.

District Manager-Engineer John L. Mason later explained that the work was supposed to start September 5. The contractor made a "token start" in August, he said, but did not actually "go to it" until October 1.

EQUIPMENT THERE

"It's a $50,000 job, The contractor has spent about $29,000 on it already, and has big equipment there. He receives no payment until the job is completed," Mason continued.

"Had the contractor started work immediately, he would have beaten the weather."

Moraga Meadows To Discuss Delay Of Sewer Project

The delays in sewer construction will highlight the discussions of similar problems at the next general meeting of the Moraga Meadows Association at 8 p.m. next Thursday at the Orinda School, according to Thomas Mika, president.

Efforts are being made to obtain either a representative of the Central Contra Costa Sanitary District or Martin Bros. Contractors to clarify the reasons for the slowness of sewer installations.

Other business to come before the meeting includes the problem of new large-scale construction in the Meadows area and setting up of a plan for civilian defense of Moraga Meadows.

Refreshments will be served at the close of the meeting and all residents of the area are urged to attend.

S.F. Company Buys Local Fire Bonds

Seventy-five thousand dollars' worth of Orinda Fire Protection District bonds were sold by the County Board of Supervisors Monday to Hannaford and Talbot of San Francisco.

Of the five bids submitted, this firm's was considered best because it called for the lowest interest rate to the fire district. The net cost to the district will be a 1.956 interest rate.

The $75,000 in bonds is the first batch of a $130,000 bond issue overwhelmingly approved by the district voters in November. Plans are for building and equipping of fire station No. 2 at Orchard Road and Moraga Highway with the $75,000, and for sale as soon as possible of the remaining $55,000 in bonds for purchase of a Sleepy Hollow site and completion of a station there.

Services Held For Father of Mrs. Paul Vashell

Masonic funeral services were held at the Chapel of the Chimes in Oakland January 24 for James H. Rosewall, father of Mrs. Paul Vashell of Orinda.

Although he had been ill for several months, he died suddenly on January 20 at his home in Oakland.

Mr. Rosewall was born in Nevada County, California, and lived in Nevada City until 1912 when he moved to Oakland and made his home there until the time of his death.

Mr. and Mrs. Rosewall celebrated their golden wedding anniversary on April 26, 1943, and Mr. Rosewall would have been 85 years old in a few weeks. He was a retired assayer and metallurgist and a former employee of the Standard Oil Company at Richmond.

Besides his widow and Mrs. Vashell the following children survive: Mrs. Alice Dyson of San Carlos, Mrs. Marie Ramsay and Thomas Rosewall of Watsonville and Edith Rosewall of Oakland.

Dos Posos Road Complaint Made

Complaint that a recent "bad slide' 'had narrowed Dos Posos to a one-way road was made this week by William S. Everts of 5 Dos Posos to the Board of Supervisors.

The road is just north of Lake Cascade.

After hearing Everts' letter, the board referred the matter to Supervisor Jack Cummings and County Surveyor Joseph Barkley.

Everts referred to "excessive drainage" from Upper La Vuelta, a county road, and suggested an investigation with the view that this condition be remedied so as to halt the flow onto Dos Posos.

First Aid Kit

The residents of Lost Valley have begun to organize. Work has been started on the preparation of a first-aid kit, to be available to all residents in any emergency.

Major English Transferred

Major and Mrs. Peter English of 20 Camino del Diablo, have recently been transferred to Washington, D. C. Their many Orinda friends were sorry to see them go. Major English had been working at the University of California.

Subdivision Plea Continued 1 Week

Continued by the Planning Commission Tuesday night to next Wednesday night was the application of Marian Pittman regarding a proposed subdivision fronting 1,100 feet on the north side of Meadow View Road west of Glorietta Boulevard, an R-A district.

The request is for three lots less than a half-acre in area, 10-foot side yards on both sides on 10 lots and a 20-foot setback on 10 lots.

Planning Technician Tom Heaton later said that the proposed subdivision is not in an assessment district yet, and that Planning Commissioner John L. Stoffel would confer with Marian Pittman and her engineer, Frank Draeger.

Marian Pittman was represented at Tuesday night's meeting by W. V. Barnes, office manager of the Moraga Company.

Favorable recommendation was given by the planners to Ted Hatfield's application for 10-foot side yards on each side and a 15-foot setback on Lot 94, Moraga Meadows Unit 3, on Daryl Drive.

Pack 52 Meets Tonight at School

In their regular monthly session, Orinda Cub Pack 52 will meet tonight at Orinda Grammar School. Cubs will receive awards at the session and discuss final arrangements for the Scout and Cub Show and Exhibition at Acalanes High School tomorrow night.

Mothers Club to Hear Talk on Europe

The next meeting of the Orinda Mothers Club will be an evening meeting February 20 at 7:45 p.m. Mothers, fathers and any interested friends are invited to attend.

Frederick A. Breier will speak on the subject "Europe and the International Crisis." Mr. Breier was educated in Europe, is a Fellow of the Royal Economic Society of England, lectured during the last war for the Army Specialized Training Program, and is at present assistant professor of economics at San Francisco State College. He is speaking to Mothers Club through the courtesy of the Speakers Service of the World Affairs Council of Northern California.

Community singing will be led by Bob Brown and his accordion. Refreshments will be served. Hostesses are mothers of Mrs. Canty's second grade and Miss Blumberg's second grade under the chairmanship of Room Mothers Mrs. Bruce Howard and Mrs. Donald Williams.

Remember, all are invited to attend this timely meeting and enter into the question and discussion period afterward. Mr. Breier is well qualified to give an enlightening viewpoint on "Europe and the International Crisis."

Fire District Gets Ardor Drive Area

Some six to eight acres of property at Ardor Drive in the Moraga Midlands section were annexed to the Orinda Fire Protection District by the County Board of Supervisors Monday.

The property, including land along the southeast side of Ardor Drive and a strip of the land itself, was recently withdrawn by the county from the Eastern Contra Costa County Fire Protection District. This withdrawal was at the request of residents of the area.

Seventy-Five Orindans Try Out for Roles in Dramateurs' Next Play

Seventy-five drama aspirants were at Orinda School Monday night to try out for the Orinda Dramateurs spring production.

Due to technical difficulties in securing production rights, plans made to produce Noel Coward's "Idiot's Delight" have been changed. Moss Hart's comedy smash-hit, "Light Up the Sky," just released for amateur production, has been chosen as the next production.

Producer Jeannette Wright and Director Ed O'Brien are enthusiastic about the array of talent to select from and are confident the presentation will be an outstanding success. They announced that new faces are always welcome and expressed their thanks for the excellent attendance at the meeting.

Next meeting will be held at the Orinda Community Church Monday evening at which time announcement will be made of the final cast selections.

Members are confident that playgoers will see comedy at its best when "Light Up the Sky" is presented at Acalanes High School in April.

'Great Guns' to Play Saturday

Teatro para Ninos presents for Saturday the comedy team of Laurel and Hardy in "Great Guns." This is army training as no selectee ever experienced it, but good fun. Show is from 1 until 3 p.m. at the Orinda School auditorium.

Seven Gray Ladies From This Area Graduate; Need Is Urgent for More

The Diablo Chapter of the American Red Cross today adds seven more Gray Ladies to its ranks serving at the Oakland Naval Hospital.

Graduation ceremonies were held last night in the Officers Club at the hospital.

Among those from this area who were graduated were Mesdames Charles Conroy, L. M. Eikert, E. M. Farrell, A. L. King, Julius Loeb, Glen A. Phillips and L. M. Sipes.

Senior Gray Ladies of the Diablo Chapter already serving at the Oakland Naval Hospital are Mrs. Edward Crotta, Mrs. M. Muller, Mrs. B. C. Soule and Mrs. J. B. Phillips.

Because of the numerous casualties arriving daily from Korea, the need for Gray Ladies to serve one afternoon a week at the hospital is great. There are three different services rendered by these workers, and each Gray Lady may choose the type of service in which she is most interested.

Recreation workers serve in the lounge and engage in such recreations as golf and teaching photography. Those in personal service write letters, shop and attend to errands that the patients are not able to do themselves. Craft workers teach weaving, leather work, ceramics and other crafts.

According to Mrs. Crotta, chairman of the Gray Ladies of the Diablo Chapter who serve at the Oakland Naval Hospital, an indoctrination course for incoming Gray Ladies will be held in the near future.

The course consists of six evening lectures at the hospital, and transportation will be furnished for those participating. For craft workers an additional course is given in the craft shop.

Any woman interested in becoming a Gray Lady is invited to contact Mrs. J. F. Bailey, chairman for Volunteer Services, at Walnut Creek 4398.

Gray Ladies from the Diablo Chapter are also serving in the hospital at Camp Stoneman.

Rainbow Girls Install New Officers

Anita Mohr was installed as worthy adviser of the Order of Rainbow Girls, Assembly No. 84, at recent services at the Masonic Temple in Walnut Creek.

Nineteen other officers who will assist in guiding the organization's work during 1951-52 were also installed with impressive ceremony. Formal attire and flowers combined to make an attractive picture as the girls accepted their duties of office.

OFFICERS FOR CEREMONY

Installing officers for the occasion were headed by Jacqueline Kennerley as mistress of ceremonies. Assisting officers were Avice Hatton, installing worthy adviser; Carolyn Olsson, chaplain; Margaret Downs, recorder; Bette Gibson, marshal; Charlotte Ferrell, honorary marshal; Mrs. Mary Mendenhall, musician; Mrs. E. Champion, worthy matron.

Members of the Assembly who took part in musical presentations by the choir were Lynn Silverthorn, Trudy Meier, Carole Nixon, Kay Bates, Lauretta Osban, Marilyn Lawrence, Pat Kelly, Selma Aweeka, Sally Ann Knaak, Janice Foreman, Marilyn Atkinson, Patricia Harris and Sylvia Harris.

INSTALLATIONS

Other officers installed in addition to Miss Mohr were:

Worthy adviser, Barbara Andreasen; charity, Joan Alvestad; hope, Margie French; faith, Dianne McFadden; recorder, Christine Johnson; treasurer, Arlene Sheets; chaplain, Marian Laughlin; drill leader, Virginia Deardorff.

Confidential observer, Dorothy Bruce; outer observer, Jeannie Marett; musician, Marilyn Podva; choir director, Mary Rose Mason; love, Janice Latham; religion, Pat Sandy; nature, Naida Merry; immortality, Shirley Lundquist; fidelity, Joan McAdams; patriotism, Marcia Jane Stoddard; service, Florence Garbutt.

DAR Chapter Has 1st Anniversary

A birthday luncheon served by the hostess and presentation of a birthday cake by Mrs. Harvey Lyon marked the first anniversary celebration of Acalanes Chapter, D.A.R., which met in regular monthly session at the home of Mrs. W. H. McClymonds in Berkeley Monday.

When Acalanes Chapter was formed a year ago, there were only 13 members. The roster now totals 26 members, according to Mrs. Ernest Ford, publicity chairman.

Reports were made by various chairmen during the business session. Mrs. Lyon was appointed delegate to the 60th National Continental Congress to be held in Washington, D. C., April 16 through 20. Mrs. Ralph V. Dewey was named alternate delegate.

Members were urged to attend the D.A.R. state conference in San Francisco March 13, 14 and 15.

The group will meet at the Berkeley home of Mrs. Jack Schweitzer, 791 Contra Costa Road, for the March 5 session of the chapter.

EBMUD Plans To Sell Property

Plans to sell approximately 3,000 acres of East Bay Municipal Utility District property to the East Bay Regional Park District for $750,000 have been announced by Louis J. Breuner, President of the Board of Directors of the E.B.M.U.D.

Breuner explained that general agreement has been reached between the Utility District and the Regional Park regarding this transaction. The agreement is subject, however, to the acceptance by both organizations of the actual terms and conditions of sale, which are now being discussed.

Known as Grass Valley, the proposed area lies generally between the Oakland city boundary and the Hayward-Redwood Canyon Road, which borders Upper San Leandro Reservoir for most of its length. It extends from the present entrance of the Redwood Regional Park to the ridgetops overlooking Lake Chabot. It is approximately six miles in length, and varies from almost three fourths of a mile to two miles in width.

Sewer District Sets Exams for Five Job Groups

Central Contra Costa Sanitary District announces that competitive examinations will be held between February 26 and 28 for five groups of district positions:

Maintenance man, at salary range of $352 to $420 per month.

Assistant maintenance man, at salary range of $341 to $405 per month.

Plant operator, at salary range of $315 to $375 per month.

Relief operator, at salary range of $305 to $365 per month.

Engineering aide, at salary range of $289 to $345 per month.

District Manager John L. Mason urges interested persons to apply for the examinations, since the resulting employment lists will be used to fill both present and future vacancies. Application forms may be secured at the Sanitary District office, 1822 Mt. Diablo Boulevard, Walnut Creek.

Last date for filing applications is February 16.

Jack Hewitt's Mother Visits From Santa Cruz

The Jack Hewitts of Marianne Drive had as their guest last week Hewitt's mother, Mrs. Hilda Hewitt of Santa Cruz. Mrs. Hewitt came to Lafayette to help in the family celebration of her son's birthday. She attended the meeting of Cub Pack 78 last Friday night as a guest of honor. Hewitt is cubmaster of Pack 78.

Art Show Group Formulates Plans

Mrs. Milton Vail of Charles Hill Road was hostess yesterday at a dessert-meeting for the chairmen and patronesses of the Outdoor Art Show membership drive.

Plans are being formulated for a diversified and well-organized show to be held, as before, in conjunction with the Walnut Festival in September.

Campaign chairmen for local areas are:

Walnut Creek, Mrs. Jack Turman; Pleasant Hills, Mrs. Gorrill Butler; Alamo, Mrs. Robert McHale; Danville, Mrs. W. S. Lotter; Orinda, Mrs. J. S. Fraser; Diablo, Mrs. Samuel Abbott, and Concord, Mrs. Lowell Steele.

These, with their subscription sponsors, will shortly open a membership campaign designed to better the annual art show and to stimulate cultural interests in the area.

No School on Lincoln, Washington Birthdays

All schools will be closed next Monday for a Lincoln's birthday holiday. The following week, February 22 is a school holiday marking Washington's birthday, with schools closed that day and the next, giving students a four-day vacation period before classes resume on February 26.

Katherine Lyser, Senior at Acalanes In Top 40 of National Science Contest

Seventeen-year-old Katherine Lyser, Acalanes High School senior, has suddenly found herself plummeted into nationwide publicity, all because of Pacific pond turtles — and her scientific study of them.

The blonde daughter of Mrs. Anita Lyser of Springhill Road, Lafayette, is one of 40 high school seniors throughout the United States — and one of four in California — who have been selected as finalists in

KATHERINE LYSER
. . . pond turtles helped her

the 10th annual Westinghouse Science Talent Search.

TO WASHINGTON

Along with the other finalists, Katherine will go to Washington, D. C., all expenses paid, for a five-day Science Talent Institute March 1-5, to compete in the finals of the competition for $11,000 in Westinghouse science scholarships.

Katherine wants to be a veterinarian, and plans to study for that profession at the University of California's College of Agriculture.

The Pacific pond turtle or, more scientifically, Clemmys Marmarota, aroused her interest when a friend brought another reptile, a desert tortoise, from Southern California.

In the Westinghouse science contest, in which 13,650 students throughout the nation participated, Katherine studied the pond turtle last summer at Plantation Ranch near Fort Ross in Sonoma County, at another ranch near Fort Jones in Siskiyou County and near Camp Timbertall, the Bay Area Y.W.C.A. camp in Mendocino County.

In her home she has 10 pond turtles in a small cement pond near the back porch. The pond was constructed by Katherine, her mother and her sister Betsy, 15, an Acalanes sophomore.

Katherine is active in girls' athletic activities at Acalanes and in the modern dance group there, and she has been a Girl Scout, a 4-H Club member and a member of the Junior Academy of Science.

Her mother is an art teacher at Alhambra High in Martinez.

TO DISPLAY PROJECTS

During the March 1-5 Science Talent Institute in Washington the 40 finalists — 30 boys and 10 girls —will be interviewed by the judges, hear reports by leading scientists, visit points of scientific and historic interest and display their projects.

At the concluding dinner March 5 the judges will award the first-place $2,800 Westinghouse Grand Science scholarship, the second-place $2,000 Westinghouse scholarship, eight $400 scholarships and the remaining $3,000 at their discretion. Two hundred sixty "runners-up" are to receive honorable mention, with recommendation to colleges and universities for scholarship consideration.

Supported by the Westinghouse Educational Foundation, which is maintained by Westinghouse Electric Corporation, the annual competition is conducted by Science Clubs of America through Science Service.

Big Scout Show Tomorrow Night At Acalanes Gym

"Scouting in Action" is the theme of tomorrow night's big Merit Badge Show and Cub Exhibition in the Acalanes High School gymnasium. Cub packs, scout troops and explorer posts from throughout the Diablo District, including those from Lafayette and Orinda, will stage exhibits and compete for proficiency awards.

If you want a good idea of what makes scouting "tick," you couldn't pick a better spot than the Acalanes gym between 7:30 and 10 tomorrow night, the hours of the scout show which highlights National Boy Scout Week here.

Merit badge subjects will be displayed in booths prepared by various troops. Cubs will have booths

on cubbing skills and requirements. The entire field of scout accomplishments in campcraft, citizenship, handicraft and many other subjects will be vividly portrayed.

Judging will be by a special committee headed by Forrest Rhodes of Lafayette, Diablo area advancement chairman.

Expectations are that last year's more than 5,000 visitors will be exceeded. Better get there early and take it all in!

Commuters Group To Study Action On Bus Problems

Action to be taken on Pacific Greyhound Lines' refusal to accept maximum bus loading standards will head the agenda of the monthly board of directors meeting of the Contra Costa County Commuters Association. The session will be held at Acalanes High School Tuesday night.

A committee headed by Arthur Bowman, which was appointed to study this problem, will report its findings, according to Association President Aubrey Macomber. The group will submit recommendations for consideration of the board.

Members will also hear a report by Charles L. Barber on progress being made to improve highway and traffic conditions. Barber is the Association's delegate to the Diablo Area Highway Improvement Federation.

Board meetings are open to all members of the Commuters Association and others interested in commuters' problems, whether they use Greyhound service or commute by automobile, Macomber said.

Science Teachers To Hear Blough

Glenn O. Blough of the United States Office of Education will come to Contra Costa in late February to confer with science teachers and other groups on modern practices in teaching science, County Superintendent B. O. Wilson disclosed today.

Blough, who is a specialist in elementary science, was a featured speaker at 1950 institute meetings in Concord.

On his return trip to the county his schedule will be as follows:

February 19—Meetings with the County Science Committee at Adelia Kimball School, Antioch, at 3 p.m. and in the Orinda School auditorium at 7:30 p.m.

February 20 — General sessions open to all interested teachers, 3 p.m. in Martinez Junior High School auditorium and 7:30 p.m. in Pittsburg Junior High School library.

February 21 — Meeting with the general school supervisors, 9 a.m. in the County Superintendent's office; conference with the County Superintendent's staff and superintendents and principals of Contra Costa schools, 2 p.m. in the Supervisors' Chambers, Hall of Records, Martinez.

Do you realize how much it costs when you go through the Tunnel to shop?

Fairyland to Close Until March 1

Children's Fairyland, which has attracted over 200,000 visitors since it was opened on September 2, 1950. has been closed until the first of March, it is announced by W. F. Ostrander, president of the Oakland Board of Park Directors.

"Children's Fairyland, in Lakeside Park, has proved to be the most popular feature ever established in any of Oakland's parks," Ostrander stated. "Because of the winter weather conditions and in order to repair some of the sets and complete new installations, it has been decided that the month's closing will result in even greater interest to the youngsters when Children's Fairyland reopens March 1."

Websters Motor to Palo Alto, Monterey

Lt. and Mrs. George Webster and sons Dick and George motored to Palo Alto and Monterey over the weekend to visit friends in the two communities.

E.B.M.U.D EXAMS

Civil service opportunities for stenographers and legal stenographers are announced by the East Bay Municipal Utility District. Examinations will be held February 23, with applications being accepted until February 13.

Children's Welfare Is Reviewed

The welfare of Contra Costa County's children was reviewed when delegates to the Mid-Century White House Conference held at Washington, D.C., made their reports to the public recently at Martinez Junior High School.

Contra Costa County Chapter of the Northern California Mental Health Society, sponsor of the meeting, invited the five delegates to present the conference findings and recommendations which are applicable to Contra Costa County.

Scheduled speakers and their topics were Miss Hazel Bears, director of Child Welfare Services, Contra Costa County, on child welfare and social work; Dr. Samuel Susselman, psychiatric consultant for Contra Costa County, on mental health and psychiatry; Dr. Frederich M. Kriete, chief of the Bureau of Maternal and Child Health, on public health; Harold V. Kehoe, director of Juvenile Hall, Oakland, on probation and corrections; Dr. William Stegeman, professor of education at Chico State College, on education.

Reports on the White House Conference on Children and Youth brought the subject into full circle, since previously the needs and problems of Contra Costa County children were surveyed locally and presented at the Governor's Conference, the results of which were then relayed to the Washington meeting.

Warren Named On Committee

E. Guy Warren of Hayward has been appointed a member of the state-wide transportation committee of the California Chamber of Commerce, it has been announced.

Clarence E. Fleager of Via Floreado is a member of the committee which includes George D. Cron, traffic manager of General Motors Corporation and A. P. Heiner, general traffic manager of the Kaiser Steel Corporation, both of Oakland, and J. H. Tuttle of Piedmont.

Warren is general manager of the Warren Transportation Company.

If you would like to live some more
And in this life abide,
Then don't get out the left-hand door
Upon the traffic side.

Condon Drafts Walnut Bill

Assemblyman Robert L. Condon last week introduced a measure appropriating $8500 for the purpose of promoting and developing the California walnut crop. The money would be spent through the Walnut Creek Annual Walnut Festival.

The measure was introduced at the request of the officials of the Walnut Festival.

Let's Speed March of Dimes Between Now, Thursday!

An Editorial

Did you get a comfortable, "there's-plenty-of-time" feeling from last week's announcement that the 1951 March of Dimes appeal has been extended to February 15?

If so, banish the thought! For February 15 is next Thursday. That's the day the March of Dimes closes in Contra Costa County and throughout the nation. The next several days can mean life or death to polio victims.

Have we made the grade? Will polio aid continue undiminished in our county? Will funds be available for desperately needed financial aid to families of victims and for treatments at the Mt. Diablo Child Therapy Center?

Until a final count is made, our community cannot know the answers to these questions. But every dime and dollar contributed is a potent weapon in the never-ending battle against infantile paralysis.

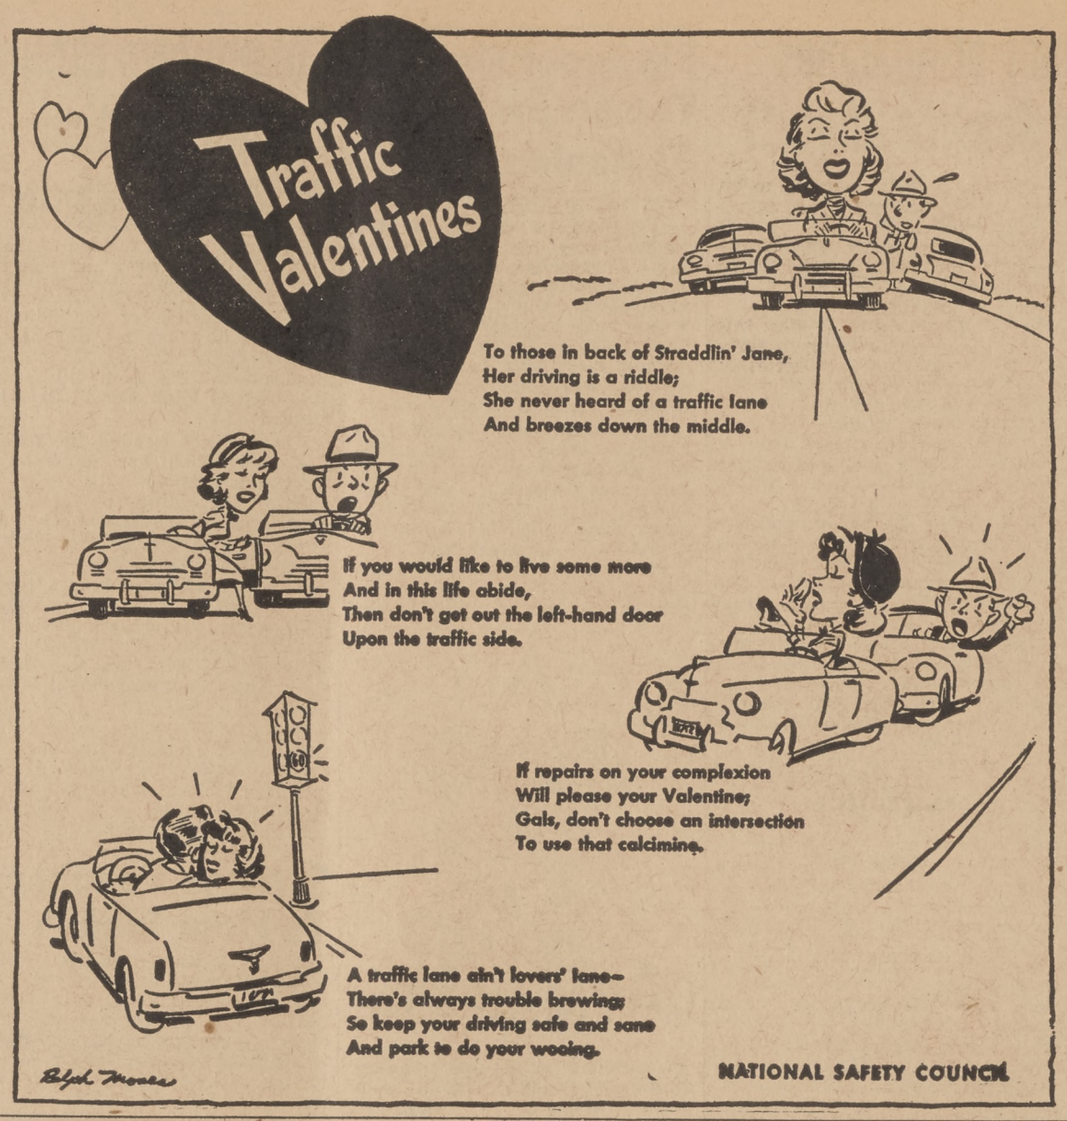
Last year the March of Dimes enabled the Contra Costa Chapter of the National Foundation for Infantile Paralysis to pay some $3,000 for treatment of 50 patients at the Therapy Center.

Will the money be on hand for continued care of patients still requiring treatment, for care of new patients and for all-important research against the crippling disease?

The answer depends on all of us — on how generously those dimes and dollars are contributed.

Last year, the second worst polio year on record, the National Foundation paid approximately $20,000,000 for patient care alone throughout the nation, with many millions of dollars' worth of bills still to be met. This huge responsibility came on the heels of an expenditure of $38,000,000 for the same purpose during the two preceding years.

Let's step up the March of Dimes, between now and next Thursday, to double-quick tempo!



Traffic Valentines
To those in back of Straddlin' Jane,
Her driving is a riddle;
She never heard of a traffic lane
And breezes down the middle.
If you would like to live some more
And in this life abide,
Then don't get out the left-hand door
Upon the traffic side.
If repairs on your complexion
Will please your Valentine;
Gals, don't choose an intersection
To use that calcimine.
A traffic lane ain't lovers' lane—
There's always trouble brewing;
So keep your driving safe and sane
And park to do your wooing.
Elph. Mones
NATIONAL SAFETY COUNCIL

Contra Costa J.C. Expands Program

"Greatly expanding its curriculum and working as a team, Contra Costa Junior College is doing its part to meet the national emergency," according to George J. Faul, West Campus dean of student personnel.

Faul spoke to a college audience recently and outlined plans for enlarging the school's program in the face of increasing international tensions. "Both day and night programs will be expanded," Faul said, "to meet the needs of people, students and parents, who are working in the daytime."

Addition of new and different classes to the night school program is only part of the larger scope of the college, according to Faul. "We are rapidly moving into instruction in civilian defense, war training and nursing training. These are in addition to our regular program of general, terminal and occupation education," he continued.

As examples of the expanding scope of the college, Faul pointed to the shift to the quarter system in the business training department. He said the shift would permit training in the essentials of such skills as typing and shorthand in six weeks instead of the usual 18.

Closing on the note that Contra Costa Junior College is fulfilling an additional assignment, Faul asked for continued cooperation of administration, faculty and student body. "If we continue working as a team, each accepting his increasing responsibility, we cannot fail," he said.

March of Dimes Aid Must Be Increased So County Can Maintain Fight vs. Polio

A warning was issued this week that unless the citizens of Contra Costa County subscribe to the 1951 March of Dimes more generously than in past years their chapter may be forced to abandon much of its work because of lack of funds.

Joseph Sheaff, chairman of the Orinda March of Dimes Drive, stated:

"To prevent many Contra Costa families from going bankrupt when infantile paralysis struck their homes, Contra Costa Chapter now finds itself face to face with impending bankruptcy. In other words, because our chapter is pledged to give care, treatment and hospitalization to anyone afflicted with polio regardless of age, race, color or creed, we plunged ourselves into terrible debt, only because we stand firmly behind their vow of 'helping the other fellow'."

$10,000 DEFICIT

He said that beginning January, this year, Contra Costa Chapter had piled up a $12,000 indebtedness for nurses' and physical-therapists' salaries, doctors' fees, hospital room rental, purchase of braces, crutches and special appliances. A loan to cover the debt was applied for but the New York office of the National Foundation could only let our chapter have $2,000, a deficit of $10,000.

This, he explained, was due to the fact that of the 3,000 other polio chapters in the nation, some 970 were in the same financial fix as Contra Costa Chapter. This, in turn, was brought about by more than 30,000 new polio cases in the U. S. during 1950 and a total of 100,000 for 1948, 1949 and 1950.

"Contra Costa has always suffered by having a high incidence of polio among all other northern California counties. We had four deaths and 60 new cases in 1950. We must care for new victims plus those stricken in 1948, 1949, 1950 and some as far back as 1943," the local chairman said.

RUNNING START

The 1951 March of Dimes got off to a running start with much optimism being expressed by a county-wide committee to "overcome the 1950 deficit and secure sufficient funds to set aside an epidemic fund for 1951, providing the people of Contra Costa will give nominal support and sympathy to a warm, human project."

Campaign leaders summed up the situation by stating: "If March of Dimes is unable to aid our infantile paralysis sufferers because of inadequate support, who will help? The federal government, the state, the county, relief organizations?"

Persons receiving March of Dimes Coin Cards through the mail were urged to return them immediately to the Contra Costa Chapter, March of Dimes, 338 Ninth Street, Richmond, or to the chairman of their community. Those not receiving a Coin Card in the mail may send their contribution in a plain envelope either to their own chairman or to the Richmond headquarters. All were urgently requested to mail immediately in order to relieve the chapter's indebtedness.

Shop at home — and save.

Martinez Merry-Go-Round

Officials, Leaders Agree Contra Costa Should Be 1 Congress District Itself

Contra Costa seemed in agreement this week that all effort shall be made to have the county created as a congressional district by itself.

That, at least, was the expression of a reapportionment discussion meeting held in Martinez Monday by members of the Board of Supervisors, State Senator George C. Miller, Assemblyman Robert Condon, former Senator T. H. DeLap and representatives of county chambers of commerce, the Contra Costa Development Association, farm agencies and other groups.

On division of the county for assembly districts there was expression that division should be made with respect to existing school or other boundaries to provide two assembly districts of as equal population as possible.

PLANS FOR DRAINAGE DISTRICT

An ordinance forming a drainage district to relieve flood conditions in the central part of Contra Costa County is being drafted by the Board of Supervisors.

Procedure for formation of the district differs from the proposal taken under consideration by the board last week. Assistant District Attorney Wakefield Taylor said he believed the type of district suggested last week might be questioned legally because of th wide area it would cover.

Such a district would have been formed under the Highway Code permitting districts in areas in which highways are involved.

The new district comprising the Concord-Avon area in the territory drained by Walnut Creek includes property in which highways are not involved.

BUCHANAN FIELD INSURANCE

The county has greatly increased its liability insurance coverage at Buchanan Field, county airport near Concord.

On recommendation of Airport Manager Noble Newsom the Board of Supervisors increased its property damage insurance from $50,000 to $100,000, and its public liability insurance from $50,000 and $100,000 to $250,000 and $500,000.

The board became concerned over the amount of its insurance coverage because of a helicopter accident at the field last summer which resulted in several large claims being filed against the county.

RECORD NUMBER OF DOCUMENTS

Number of documents recorded in the Contra Costa County recorder's office for 1950 achieved an all-time record, with a total of 67,327, it was announced recently.

The office recorded 67,327 documents and collected $193,329 in fees during the last year, an increase of 18,273 documents and $68,626 in fees over 1949.

County Recorder Ralph Cunningham said the 1950 record topped the previous record year of 1947 by 14,839 documents. That year a total of 52,488 documents was recorded and $107,717 collected in fees.

$123,600 to USC For Polio Fight

The March of Dimes has granted the University of Southern California $123,600 to enable SC medical research scientists to complete their task of classifying polio viruses. A check for the full amount signed by Basil O'Connor, president of the National Foundation for Infantile Paralysis, was presented to Dr. Fred D. Fagg, Jr., president of SC.

The project, which was begun in 1948, will continue to be directed by Dr. John F. Kessel, head of the department of medical microbiology at SC.

ABRAHAM LINCOLN

—An Example for Every American

Biographers of Abraham Lincoln have shown that his greatness came not only from big things, but from the little things he did as well. On this, his birthday, it is proper that every American follow Lincoln's example, by putting aside petty differences with his fellow citizens . . . and fighting side by side, that this nation might remain free!

Cap Sandford Sez:

DID YOU EVER COME INTO this area from Oakland on Maniac's Boulevard and try to turn left at Happy Valley Road when traffic was heavy?

Many of you undoubtedly do this daily, and if you do you know what I mean.

You can, if you wish, turn south at the first Lafayette stoplight to Brook Street, then along to Moraga Road, turn north and cross at the stoplight, and then perhaps proceed to your home in comparative safety. Nuts.

LINE UP IN FRONT, there, you birds, I've got something to tell you. And this refers to all of you.

I am going to tax you all from the moment you are born until the day you die, and even when you die I am sure going to tax you some more.

And I am going to freeze your wages and I'll see that your feet and hands are frozen too, maybe. (This is supposed to be a takeoff on presidential language) . . . If I've not already done it I'll fix you so that you don't know whether you are coming or going, and I don't mean maybe.

I SAT DOWN BY THE FIRESIDE in my home to read the evening paper and was soon fast asleep. I dreamed that the president was making a "Fireside Chat" and he was saying:

"And so my friends I have decided to make some very drastic changes . . . yes I suddenly realize that I have a very high regard and great respect for the United States Marines, and I have decided to stop spitting on my hands and threatening "Mayhem" to folks I am even going to sit up nights (Alone) trying to think up ways and means of creating a thoroughly efficient governmental structure. I am also going to devote a lot of time and concentrated thought on the idea of reducing taxation and finally my friends I am going to try and figure out how to bring Peace on Earth to men of good will."

Just then the cat jumped on my shoulder and I woke up in a railroad station demanding a one way ticket to Napa . . . well Good bye now.

Dons Grapple Panthers Tonight at Antioch

Acalanes' Dons have been busily preparing to go back into league play. Workouts have been particularly heavy in view of the fact that the Dons were a bit rusty after a week's layoff due to a bye in the schedule.

Tonight the Dons meet up with the Antioch Panthers on the Antioch court. While comparative scores favor the Dons in the Varsity, Antioch's Bees appear to have a definite edge.

YET TO WIN

Babe Atkinson's Panther Varsity has as yet to register a win but each time out has given a good account of itself.

Main difficulty of the Paper City five seems to be its inability to hit the elusive hoop with any degree of consistency.

Scout reports show that fundamentally the team is sound and tough defensively.

DONS' SLOW START

The Dons were slow to start this year and had rough going in early season, largely due to a series of tough games with top opposition.

League play found them to be hard luck boys, as they lost last-second thrillers to Albany and Diablo. But they came through and took John Swett of Crockett in stride.

PROBABLE LINEUP

The come-through boy of late has been Bob Fox, whose fine shooting and floor play in the last two outs may well push him up into a starting spot for tonight's game.

Bob Borghesani will be in the center slot, with either Bob Kleckner or Art Siler in a forward spot and Roger Linn and Bob Winkenbach at the guards.

Coach Lee Arth is out for his second league win. Each game from here on out is crucial, so far as final league standings go.

BEE SHAKEUP?

Acalanes' Bees have been at a low ebb the past three games, and Coach Jerry Brown has promised a shakeup in the lineup if the players fail to snap out of it.

The Bees started early season play with a bang but have slacked off as of late.

ANTIOCH BEES TOUGH

Antioch's Bees, on the other hand, have pulled some startling upsets, and will no doubt be a tough opponent on their own floor.

Tonight's opening game between the Bee teams, is set for 7:30 The varsities take the court at approximately 8:45.

Next Friday night the Dons return to the home court, with Alhambra furnishing the opposition. The game will be the last home game of the 1951 season.

New Football Shoe—Will Its Twist-Turn Qualities Make It Standard Equipment?

By ERWIN MATTSON

EVERY ONCE IN A WHILE athletic gear shows up with some new innovation which catches the eye and sometimes changes the type of equipment used in the future.

A new football shoe has just made its appearance in connection with the display of next year's equipment. This shoe is conventional in style except for the cleat arrangement.

The conventional shoe has seven cone cleats, with five located on the ball and toe and two on the heel.

The new shoe has a circular aluminum disc resting on the ball of the foot, an oblong aluminum cleat on the toe and one on the heel.

SUCH AN ARRANGEMENT is claimed to have numerous advantages.

Major disadvantage of the old style shoe is that the cleats tend to stick in the ground and when the body twists or turns the cleats stay put, with the result that ankle and knee injuries occur, since the body turns but the shoe does not.

The new shoe, with its circular centerpiece, supposedly allows the foot to turn and at the same time gives added traction necessary for drive and maneuverability.

In addition, it is claimed that the new shoe will not pick up mud and will give better all-around support to the foot.

SPEAKING OF KNEE and ankle injuries, probably the sport that has the highest casualty rate is skiing.

Major reason for the large percentage of injuries is the fact that most people just go skiing when the opportunity arises. One should really practice for such an activity.

To ski without conditioning is like playing a football game without practice.

I know people who won't let their boys play football because it is too dangerous, but skiing is considered O.K. As a matter of record, injuries are far more frequent, as well as more serious, in skiing.

Number one on the list, so far as danger goes, is the automobile, where toll has become so great that the risks involved are taken as a matter of course and a part of life!

County Track Meet Will Be at Acalanes

TRACK ADDICTS will be glad to learn that the county meet will be held at Acalanes this year.

Alhambra was originally given the meet but a last-minute switch found Coach Charles Eaton with the job in his lap.

Off-hand, it might not seem like much of a job but such a meet involves innumerable details and many hours of planning, plus the fact that facilities have to be put in top shape.

The way things stand now, it will take several weeks of good weather to get the track and pits in shape.

TRACK WEIGH-INS come in February and will determine which boys can make Bee track.

The classification is based on age, height and weight, with points given for each. Limits are set within each factor as well as on the total number of points.

For some unknown reason the points allowed for basketball and track vary, with basketball being more lenient.

A move is on hand for an upward revision in track standards in order to get more boys into the Bee division.

Children to Receive X-Ray Information

An estimated 70,000 school children in public, private and parochial schools in Contra Costa County will soon learn facts about tuberculosis and the coming county-wide rapid-tempo chest x-ray survey.

More than 2,500 teachers kits containing 15 items of educational information have been prepared by Contra Costa Chest X-Ray Survey, Inc., and assembled by the Camp Fire Girls of Martinez and the County School Secretarial Staff. The kits include a teachers guide, suggestions for class discussion, and facts about tuberculosis.

Goal of the Contra Costa Chest X-Ray Survey is to give a free chest x-ray to every resident of Contra Costa County 15 years of age and older. The survey will run between February 15 and April 7.

A total of 18 x-ray units will be stationed at various points in the county throughout the program. It will be possible for every resident over 15 years of age to have a free chest x-ray either where they work, in their community, or in their school.

Diablo's Devils Remain Top Five

Diablo's Devils came through in a last-minute flurry once again, to cop their fourth league win as they downed Alhambra High 30-27 to stay out in front.

Pittsburg High tackled Albany Thursday of last week and emerged a winner only after an uphill fight against a rough and ready Albany five.

John Swett Bees came out on top 46-38, while Diablo won 32-23. Pittsburg's Bees lost to the Albany Cougars.

Tonight it's John Swett at Martinez, Mt. Diablo at Pittsburg and Acalanes at Antioch.

Allen-Harris Wedding Set for 3rd of June

Plans for a garden wedding at the home of her parents, Mr. and Mrs. Donald Allen, have been set for June 3 by bride-elect Sally Allen and her fiance, Gale Harris. The couple's engagement was announced last autumn.

Sally is the niece of Congressman John J. Allen Jr.

...as a ray of sunshine

Natural gas is *pure*. Its clean blue flame forms no smoke or smudge—pots and pans stay shining bright. This amazing natural fuel is completely consumed and leaves no residue. Broiling is smokeless, too, in a modern, *automatic* Gas range as the efficient flame consumes spatter and grease-laden vapors. With Gas, you broil with the door *closed*. No matter what fuel you use, kitchens stay cleaner when you control cooking vapors with proper kitchen ventilation, and use tightly sealed utensils. There is no cleaner cooking fuel than natural Gas.

Plenty of hot water at all times for all your family's needs is yours with an automatic Gas water heater of ample capacity.

GAS...the modern fuel is so CLEAN!

Parsons Favors U. S. Schooling In Draft Setup

Educational training under government service sponsorship has been suggested by Superintendent Neil M. Parsons of Acalanes High School District as a means of conserving leaders for the future, under any plan of drafting 18-year-olds into the armed services.

"There should be school courses for some people to take, whether in officers' training or technical programs, such as in the last war," he said.

"I also think that whoever has charge certainly can understand that. As far as the students' education is concerned, it is going to be disturbed. But the whole nation is being disturbed.

"If we give young people what opportunity they can use, in service or out, we will prepare for the future."

Santa Maria Will Change Mass Time

Beginning Sunday, February 18, the hours of masses at Santa Maria in Orinda will be at 8, 9, 10:30 and 12:15 o'clock. The 9 o'clock mass will be the children's mass.

All children of the parish are invited to participate in the children's choir, which will be resumed under the direction of Mrs. Ella McVicker. Choir practice will be held in the church every Friday afternoon from 3:30 to 4:30. The parish bus will deliver the children to the church on all Fridays, beginning today. Children not participating will get off at scheduled stops.

Catholic members of the Boy Scouts will be in attendance as a group at the 10 o'clock mass on Sunday, February 11, in observance of Boy Scout Week.

Christian Science Text For Sermon Announced

"I have poured out my spirit upon the house of Israel, saith the Lord God." This verse from Ezekiel (39: 29) will be the Golden Text for the Christian Science Lesson-Sermon to be read in all Churches of Christ, Scientist, on Sunday, February 11.

Citations from the Bible and from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, comprising this sermon on the subject "Spirit," will include the following:

Revelation 21:1: "And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea."

Science and Health: "This testimony of Holy Write sustains the fact in Science, that the heavens and earth to one human consciousness, that consciousness which God bestows, are spiritual, while to another, the unillumined human mind, the vision is material . . . This is Scriptural authority for concluding that such a recognition of being is, and has been, possible to men in this present state of existence, — that we can become conscious, here and now, of a cessation of death, sorrow, and pain . . . When you read this, remember Jesus' words, 'The kingdom of God is within you.' This spiritual consciousness is therefore a present possibility (p. 573).

Dr. Holleman Plans Church Night Talk

Church Night at Orinda Community Church has been pushed ahead one week to Wednesday in order to permit the congregation the opportunity to hear Dr. Clarence Holleman, veteran physician and hospital administrator who has recently returned from Amoy, China.

Dr. Holleman, who is the uncle of Orindan Pete Englesman, has been for 31 years a missionary doctor of the Dutch Reformed Church, and is an authority on Chinese matters leading up to the present disturbing events in the Orient. He will speak on these problems and give chance for questions.

Arrangements for the potluck supper to be held at 6:30 in conjunction with Church Night are in charge of Section One of the Guild, with Mrs. Barden, 5031, and Mrs. Morrow, 7901, receiving reservation. Children will be entertained separately during the adult program, and the closing time has been set as 9 o'clock.

Rotarians Hear Unusual Speech

E. R. Taylor, member of Oakland Rotary, presented a thought-provoking talk, "Differential Reasoning" at the noon meeting of Orinda Rotary Wednesday.

It was announced that Arthur Lagueux, Rotary International president, has urged Rotarians and members of their families to attend the Rotary International meeting at Atlantic City May 27 through May 31. A brilliant program of entertainment has been planned in addition to the regular program.

Merle Brown is chairman of the club's convention committee and arrangements for the trip can be made through him.

Altar Society to Sell Rummage

The annual rummage sale sponsored by the Altar Society of Orinda's Santa Maria Church will be held Monday and Tuesday at Norway Hall, 3829 Piedmont Avenue, Oakland.

A large selection of household items will be available. Anyone interested in purchasing clothing for shipment to Europe will find an excellent assortment. The general chairmen are Mrs. A. V. Scollard and Mrs. C. E. Cook. Assisting them are the Mesdames Roy Warren, A. B. Morris, Jack Jansse, John Stahli, Joseph Ortland, George Klement, Edward Barrett, Zachary Montgomery, Charles Malone and Joseph Sheaff.

Induct Altar Guild At St. Stephens

An impressive ceremony followed services last Sunday at St. Stephen's Episcopal Church in Orinda when Dr. Frederick A. Schilling inducted Altar Guild members Mesdames Paul Slattery, president; T. E. Haley, secretary; Quentin Easterbrook, treasurer; Seaver Ballard, H. S. Doane, R. E. Theis, Paul Booth, Bill Maddock, J. M. Buxton, James Sullivan, H. W. Pillsbury, Ida Zamloch and D. B. Woodcock.

An important meeting of the Altar Guild was held Tuesday afternoon at the home of Mrs. Seaver Ballard on Glorietta Boulevard. A representative of Day Church Store met with the Guild to assist them in selecting appointments to be purchased for the altar.

Mrs. Ida Zamloch was appointed to take charge of the Flower Chart, through which various members may furnish flowers for the altar to commemorate certain Sundays. Regular meetings of the Altar Guild are held the first Tuesday of each month.

Dr. Schilling's sermon Sunday emphasized the fact that the only true weapon against the atomic age and the Russian communist threat is the Christian way of life, with love as the guiding force and only saving grace for the world. Next Sunday, Robert Graff, senior student at the Episcopal Divinity School in Berkeley, is going to preach at St. Stephen's in Orinda.

Dr. Schilling is scheduled for All Saints Church in Palo Alto to deliver their Theological Educational Sunday address, but will be back in Orinda for Confirmation Class at 4 o'clock in the afternoon. This class was started last Sunday with a great deal of enthusiasm and it is announced that any person interested may still join the class. Members of St. Stephen's are urged to visit neighboring churches on Ash Wednesday as no service will be conducted at Orinda.

J. M. Buxton represented St. Stephen's at the Diocesan convention and Mrs. H. S. Doane was the Women's Auxiliary delegate. St. Stephen's in Orinda was formally voted full mission status, with representation and voting power at all meetings. Mr. Buxton will give a general report on the convention after services February 18.

Two Girl Scouts Win Awards for Selling Cookies

Two Orinda Girl Scouts have been awarded special prizes for their efforts in selling cookies during the recent drive.

They are Judy Gompertz, Troop 46, who received a partial camperships to Sierra Woodland, and Patsy Stevens, Troop 45, a full camperships to Day Camp.

Troop 47, led by Mrs. Melvin Nickerson, was presented a troop flag for the most cookies sold by one troop in Orinda.

Pack 32 Cubs Set For Big Exhibit

African adventures as recounted by Sidney A. Snow of the Oakland Zoological Gardens held the avid attention of Orinda Cub Pack 32 at the meeting held last Friday night. The talk was especially timely in coincidence with the month's theme, "Animals."

Bob Newman and John Coffey received their Bobcat rank and Donald McMacken was welcomed to the pack. Numerous awards were presented to den members during the session.

Special announcement was made of arrangements for the Diablo District Merit Badge Show and Cub Exhibition to be held at Acalanes School tomorrow night, 7:30 to 10 p.m.

Pack 32 will have a display of craftwork exhibited, with the handicraft of each boy shown. Boys of Den 10 will take turns demonstrating handicraft and will also be in charge of the pack displays.

Then don't get out the left-hand door
Upon the traffic side.

Special Lenten Services Planned

Opening a special series of Lenten evening services, the Diaconate of Orinda Community Church will welcome all comers on Sunday evening at 7:30.

The series will feature exceptional musical talent in addition to spirited group singing and addresses by local and visiting leaders. The opening address will be given by Rev. Fred Morrow on the topic "I Know." Mrs. Margaret Popovich, the church's director of music and an accomplished vocalist, will sing "O Savior, Hear Me" by Gluck, with a violin obligato played by Edward Richard.

Other speakers to be heard in the series include C. Ray Fowler, the popular youth leader of the Community Church; Rev. Robert Carlson, pastor of the new and thriving Hillcrest Community Congregational Church in Gregory Gardens; Rev. Godfrey Matthews of San Francisco, and Rev. Donald F. Gaylord, pastor of the Congregational Church of Martinez.

On March 18 the chorus choir will present Dubois' "Seven Last Words of Christ," with Mrs. Popovich, directing.

MacQuiddys Have Guest

Mr. and Mrs. MacQuiddy, of Lost Valley, have as their guest Mrs. MacQuiddy's sister, Jean Ratliff, of San Leandro. Miss Ratliff teaches school in San Leandro.

Boy Scout Sunday To Be Observed

Observing Boy Scout Sunday, Orinda Community Church will hold its regular morning worship with boys of the two Orinda Scout troops as special guests at 11 o'clock Sunday.

Rev. Fred Morrow conducts the service, assisted by Ray Fowler, the church's youth assistant, and the choir directed by Margaret Popovich. On Sunday the Rev. Mr. Morrow begins a lenten sermon series on "The Doctrine of God," speaking on "His Grace."

Sunday church school classes are held for all ages at 9:30, and high school age young people meet with Mr. Fowler at 7 p.m.

Guild Section 1 to Meet

The next meeting of Section 1 of the Women's Guild will be at the home of Mrs. E. T. Meakin, 33 La Noria, on Thursday.

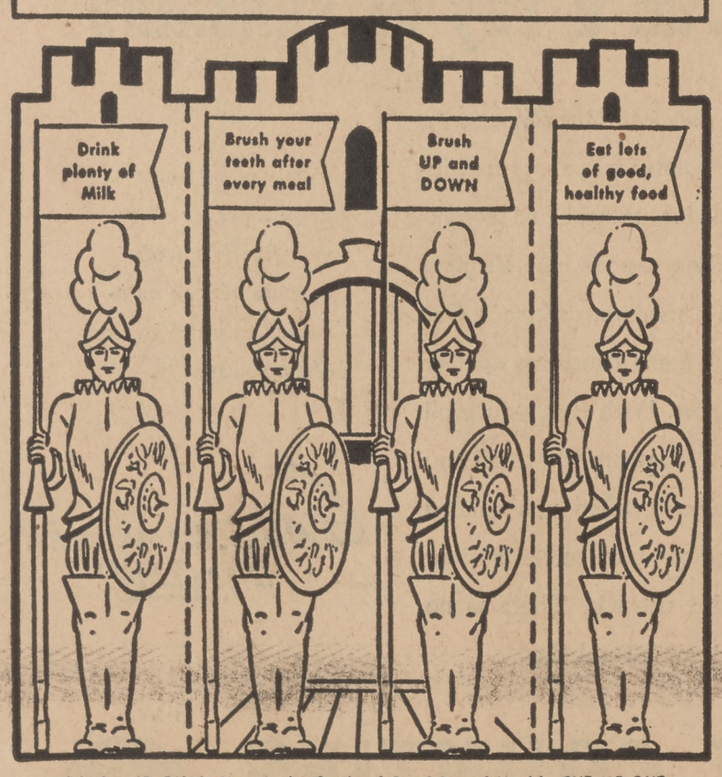
CASTLE OF GOOD DENTAL HEALTH



BOYS AND GIRLS! Here is the Castle of Good Dental Health. CUT ME OUT along the heavy black lines. Next, PASTE ME ONTO stiff cardboard. Then, FOLD ME OVER along the DOTTED lines. Each of my soldiers carries a flag, on which there is a rule. If you follow these rules you too will have a nice smile, and good, healthy teeth. Now, STAND ME on top of your dresser. See what a fine Castle I make! Maybe, when you follow *all* the rules each day, you will want to COLOR ME. This will show your parents that you too are a Soldier of GOOD DENTAL HEALTH.

Building Permits Issued for Homes

Largest single permit issued in Orinda area during the week ending February 2 was that for seven residences and garages, applied for by owner and builder Marchant & Lawrie, Lafayette. Location was listed as Meadow View Road and Glorietta Boulevard, and estimated cost was $8700.

(Note: Estimated costs by the county building inspector's office are only for the purpose of permit fees and are based on figures of several years ago. They do not represent present construction costs or the tax assessor's appraisal.—Editor.)

Permission to build two residences and garages was given Owner Moraga Del Rey Corporation for Lot 155 and 156, Donna Maria Way, Moraga Del Rey No. 2; Builders Dame Construction Company, Oakland; estimated cost $9315.

OTHER PERMITS

Other residence - garage okays granted were as follows:

Owner and Builder A. Ganiats, Oakland, portion of Lot 83 Rheem Boulevard and Glorietta Boulevard, Rancho De Los Palos Colorados; estimated cost, $9900.

Owner D. D. Tunnicliff, Albany; Lot 528 Las Vegas Road and Via Floreado, Hacienda Homes; Builder K-S Construction Company, Orinda; estimated cost, $11,700.

IN SLEEPY HOLLOW

Owner E. H. Brumley, San Leandro, Lot 7 Van Tassell and Katrina Court, Sleepy Hollow No. 1, Builder L. A. Olson, San Leandro; estimated cost, $20,592.

Owner and Builder E. E. Landin, Berkeley, Lot 13 Ardilla Road and San Pablo Dam Road, Orinda Park Terrace; estimated cost, $9144.

Owner J. I. Owen, Alameda, Lot 173 Lombardi and Van Ripper, Sleepy Hollow No. 2; Builder J. K. Ellsworth, Walnut Creek; estimated cost $9600.

Owner Lloyd L. Hecathorn, La Espiral and Las Palomas; Contractor J. Lee Center, Orinda; estimated cost $11,880.

ANOTHER HOME

Owner and Builder Marchant & Lawrie, Lafayette, Lot 51 Glorietta Boulevard and Meadow View Road, Moraga Gardens No. 2; estimated cost, $9000.

Among the miscellaneous permits were those granted for building additions, private garages, porch and retaining wall and sole commercial permit, for a service station at Davis Road and Highway 24.

Residence addition okays were granted the following:

Ray Messersmith, 31 Irvine Drive and Glorietta, Moraga - Glorietta; Builder Carlson and Maier, Oakland; estimated cost, $4212.

William Penn Mott, Ardilla Road, Hacienda Del Orinda; Builder Carlson and Maier, Oakland; estimated cost, $3846.

R. C. Rock, owner and builder, No. 3 Mariposa Lane; estimated cost, $381.

GARAGE PERMITS

Private garage permits were issued: Nelden of 304 La Espiral; Builder F. Paccetti, Oakland; estimated cost $3300 and to Owner and Builder Sue Morris, No. 515 Miner Road; estimated cost, $1200.

Owner and Builder A. B. Sanderson was given a permit for a tool shed at No. 73 La Campana, Hacienda Del Orinda, at an estimated cost of $768 and Owner Elending was granted an okay for building a porch and retaining wall, cost $324, at 33 Vallecito Lane.

Standard Oil was given an okay for a service station at the corner of State Highway and Davis Road, with C. Norman Peterson listed as builder. Cost quoted was $4730.

Letters To The Editor

Dear Editor:

The commissioners of Orinda-County Fire Protection District wish to take this opportunity to thank you for your splendid assistance in obtaining a favorable vote on the recent bond issue for the acquisition of two new fire houses and necessary facilities and equipment.

It is anticipated that bids for the purchase of these bonds will be received in the first part of February. In the meantime, the commissioners are proceeding with preliminary work.

Very truly yours,
ORINDA-COUNTY FIRE
PROTECTION DISTRICT
Paul C. Meyer, Secretary

A trip through the tunnel to do your shopping costs you at least $2.75 in additional expenses. Shop at home for service and savings.

CONTRA COSTA JUNIOR COLLEGE'S Board of Trustees was recently selected as one of the 150 outstanding school boards in the United States as the result of a nationwide survey conducted by Columbia University. Less than one per cent of the 90,000 school boards in the country were chosen. Junior College board members who were asked by Columbia to participate in a national study to improve school board practices include, left to right, Bert Coffey, Richmond; Fred Abbott, secretary, Brentwood; George Gordon, Martinez; Elton Brombacher, president, El Cerrito, and O. J. Wohlgemuth, Walnut Creek.

Lions, Rotary Gave Scout Hut Lights, Fixtures

Ceiling fixtures and lights for the Scout Hut at Park Pool were a joint donation by the Orinda Lions Club and Orinda Rotary Club.

At the joint Rotary-Lions meeting last fall, the financial collections for that day were for that purpose, according to Rotary President Frank Olsen.

The Scout Hut is used as a meeting place by Troops 200 and 207 and Explorer Post 300.

A report in last week's Sun erroneously stated that Olsen had donated the ceiling lights.

School Salaries Will Be Raised If Funds Available

Orinda School District teachers' salaries will be increased $330 a year above the regular automatic increase, effective for the 1951-52 school year—if funds are available.

That promise and that "if" were contained in resolutions passed by the district board at its monthly meeting Monday night at Orinda Grammar School.

The automatic increase as provided in the existing salary schedule is $110. Request had been made by the Orinda Teachers Association for the beginning salary of new teachers to be raised one step and for one step to be jumped.

The board's plan would jump two more steps, Superintendent Joseph L. Sheaff explained, "so we'll give them four instead of the two they asked for, if the money is there."

THAT 'IF'

The "if" was expressed in the following board resolution:

"To the extent that funds are available, the Orinda Union School District Board of Trustees approves increases in the salaries of certificated and non-certificated employees of the Orinda Union School District in such amount as will make them (1) commensurate with the increase in the cost of living since the time that the last adjustments in salary were made and (2) sufficient to provide salaries for them that are comparable with those paid for like work and responsibility in the neighboring school districts."

The board specified that under such a plan beginning annual salaries for teachers who start with the next school year would be $3,150 instead of the present $2,710.

OTHER RAISES

Sheaff was asked by the board to make provision in the 1951-52 budget for increases in the pay of non-certificated employees, such as custodians and secretaries.

A request by the Moraga Meadows Association for use of the extra room at Glorietta School was granted. The room is used for physical education in the daytime and by Girl Scouts and Brownies for meetings, but this is the first time use has been granted to an adult organization.

Sheaff this week asked that any persons in the area who have had teaching experience and who could now do substitute work, get in touch with him. There is a need for substitute teachers, he said, in case of illness.

This week one teacher was ill, with no substitute available, he said.

Scout Hut Has New Look, New Feel

Recently completed improvements at the Scout Hut at Orinda Park Pool include a thermostatically controlled gas heater with an electric fan, connecting of the gas range so that it can be used for cooking and installation of lighting fixtures.

These improvements, as well as purchase of ceiling material, were made possible by the successful joint show put on at Orinda Grammar School auditorium in November by Troops 200 and 207 and Explorer Post 300, it is pointed out by R. D. Harrison, assistant adviser of Post 300.

"Heave-ho" volunteer work in effecting the improvements was done by Harrison, High Haskell, former Troop 200 committee chairman; Scouts Hugh Haskell, Jr., and Richard Haskell of Troop 200; Explorers Joe Connelly, Charlie Kops and Bob Kraul of Post 300, and Walter Christie of St. Stephen's Episcopal Church.

Bridge Sections to Meet at Homes

Orinda Mothers Club bridge sections for Friday, February 16, will meet at the home of Mrs. Robert Brown, 9 Orchard Court, for the morning section; and at the home of Mrs. W. C. Young, 246 La Espiral, for the afternoon group.

The February 2 morning group met at the home of Mrs. Thomas Moore, 25 Valley View Drive. Attending were Mesdames E. L. Bargones, Robert Bigler, Joseph Downs, F. R. Devon, Robert Bowles, George Fink, Russell Gilwee, Robert Harrison, A. D. Henry, Charles Zimmerman, William Houston, George Haas, Berton Kohler, J. P. Laird, Howard Lane, Albert Normand, James Reed, Joseph Sheaff, Fred Theile, James Seaman, William Snow, William Courtright, Ralph Stocker, Roy Wendelbo, John Stahle and Francis Wyatt.

The afternoon section, meeting at the home of Mrs. Roger Dexter, 157 El Toyonal, included Mesdames Arthur Barude, Robert Maddox, John Wassen, Wayne Littlejohn, Arthur Anderson, Leonard Roth, Ida Zamloch, Donald Krotz, Roy Wendelbo, K. C. Beeman, John Barchfield, Everett Ham, C. A. Winrod and W. C. Young.

Nine Families Move Into New Houses

With the last family now settled in its new home, all nine of the recently completed residences built on Meadow View Road, Moraga Gardens, by Marchant & Lawrie, contractors, are occupied by newcomers to Orinda area.

Those who are busy becoming members of the community are the Harvard Gustafsons, Elmer Sitkins, Howard Gravelles, Eugene Pearsons, Lloyd Ludwigs, Fred Dunns, Anthony Yriberris, Marvin Gilardys, Leonard Pankonins and Herbert Watermans.

Marshant and Lawrie are starting construction on eight more new homes on the same street, all of which have already been sold.

DON'T REDUCE PRESSURE

Air pressure in automobile tires should not be reduced when the tires are hot, in an effort to compensate for expansion due to fast driving during warm weather, warns the California State Automobile Association.

In almost all traffic accidents, one or more traffic laws have been violated by motorists or pedestrians.

Jacobsen at Traffic School on Scholarship

Sergt. Arthur H. Jacobsen of the county unit of the California Highway Patrol, who lives at 14 Linda Vista, left last week for Northwestern University's Traffic School.

Under a scholarship (he is one of two officers of the state patrol to win 1951 scholarships) he will study this next semester at Northwestern. The term will last four and a half months.

If you would like to live some more
And in this life abide,

Contractors Attend National Convention

Contra Costa County was represented at the National Association of Home Builders Annual Convention and Exposition held in Chicago last week.

Among the 15,000 members of the NAHB attending the lectures, meetings, discussion groups and other functions are the following from this area: Donald J. Lawrie and wife of Lafayette and Dan C. Peacock, Jr. of Orinda.

LEGAL NOTICE

NOTICE OF CONSIDERATION OF APPLICATION FOR A LAND USE PERMIT BY THE CONTRA COSTA COUNTY PLANNING COMMISSION UNDER PROVISIONS OF ORDINANCE NO. 382

NOTICE IS HEREBY GIVEN that the Contra Costa County Planning Commission will give consideration to the application of Arthur Morse for a use permit.

Said application is to modify provisions of Section 4 Subdivision F Subsections 5 & 6 of the provisions of Ordinance 382 as hereafter set forth, namely: to have 5' side yard on one side and eliminate the side yard on the other side and have 10' set back for garage.

Property is located on the following maps which appear as Subsections 24 of Section 3 of Ordinance 382.

Brief description of property: Lot 8, Garden of Eden on Cresta Blanca.

The time and place of said hearing will be in Room 210 Hall of Records, Martinez, California. 2-20-51, 7:30 P.M.

G. F. McCORMICK, Secretary
Contra Costa County
Planning Commission
O-63, Orinda Sun, February 9.

Honors Won by Local Owners at Big SF Dog Show

The 41st Annual All-Breed Dog Show of the Golden Gate Kennel Club was held on January 27 and 28 at the Civic Auditorium in San Francisco. Dog owners from this area made a fine showing at the event.

Mr. and Mrs. Clarence Brown of Orinda entered their Kerry Blue Bomber, in the Champion Parade. Juanita Waite's beautiful English Springer Spaniel, Ch. Waiterock Strongbow, also appeared in the parade, and her Waiterock Sportsgirl took second in the American Bred Bitches.

FIRST PLACE

Mrs. J. H. Klass of Lafayette entered her German Drathaar, Frau Judy Lowenberg, in the Miscellaneous Class, and took first place for bitches. The German Drathaar is a cross between a German Shorthaired Pointer and a Griffon, and rates among the newest and rarest breeds in the United States. Surprisingly, the breed originated nearly 400 years ago in Italy.

It has become extremely popular in Germany in the last 70 years, and shows promise of becoming a well-established breed in this country. The German Drathaar is praised as being well suited for hunting.

Puttencove Albert, a Standard Poodle owned by Jeanne McNear Pope, placed third in Open Dogs.

CAIRN TERRIER

A Cairn Terrier puppy, Roughhouse Buck, owned by Helen Schallenberger of the Sierra Kennels in Lafayette, took first place in his class, Puppies 6 to 9 months. And Gilbert Schallenberger's Welsh Corgi, Bit's Twinkletoes, won his class, and went up the ladder to be judged Winner's Bitch.

Barbara Lewis entered her Great Dane, Ch. Viking of Lewhaven, in the Specials and came off with Best of Opposite Sex. Viking also was entered in the Obedience Trial, Novice A, and made a qualifying score, placing fifth.

VIKING'S CHRIS

Viking's Chris of Gaypack, a son of Ch. Viking of Lewhaven, was entered in the Obedience Trial by his owners Mr. and Mrs. W. Stewart Dinwiddie, also of Lafayette. In Open B he made a qualifying score and walked off with third place.

Both of these Great Danes were trained at Joe Simpson's Obedience School for Dogs.

Another entry in Obedience was Nonaz Twink O The Picts, a Shetland Sheepdog owned by the A. B. Bullocks, and handled by their daughter, Dorothea Bullock. Twink earned another leg on a C.D. in the Novice B Class.

put on a show, too.)

BIGGEST BEEF, not to say headache, was last week's rush by all the teachers to fill in those blankety-blank spaces in their little ol' black books.

They all tried to fill them in before report time, and those tests they threw at us shouldn't have happened to a dog — even if we'd been boned up for 'em.

Hi-Lites on Hi-Life

By DON and DONNA

AH, SPRING! Just let the little grasses start poppin' out of the ground, and just that much sun, and what do we have? Lunches on the lawn, that's what!

Speaking of spring and kindred subjects, you're just not in it these days unless you're sporting some sort of a ring, or worrying about when you'll be called into service. Which reminds me, don't you know any other fellows who are "in"?

We can't help wondering just how "taken in" those Alhambra kids were by the tremendous applause at the exchange-assembly. After the swell reception our kids got at their place, it would make us feel like pretty small potatoes if they caught on that all the clap-clap was to stall off going back to class!

The Junior dance was a great success, even if there were hardly any Junior boys, and even fewer Senior girls, who usually make all the dances. They had a time for themselves, anyway. In fact, if you see

them talking to no one in particular, don't look now, but that's Harvey!

The way to tell which ones did go to the dance is to ask them how they like Cecelia. (For $140 the band

THOSE 11 MID-TERM grads make us feel kinda sad. It seems there should have been **something** to get them off the hook with a little more ceremony, besides just "goodbye, we'll see you when you come back to pick up your diploma in June."

Those three fellows who got scholarships to the Naval training school aren't in that class, but the others who go on to college will feel kind of silly coming back to pick up a piece of paper in four months.

SPEAKING of winning — Katherine's award was such hush-hush stuff that no one knew about it but everybody! And long before the Thursday deadline when it was to be made public.

Seeing papa Parsons so darned pleased made us all feel we should enter bigger and better contests so he could pop his buttons more often.

Good work, Katy, we're proud of you.

OH, YES, the dance play-day. You know (or do you?) that the gals ran it themselves. Our gals, it seems, do a different variety of "mawden dance" than the Diablo gals (our gals call the other the "stiff and stark" kind).

Main difference, our research staff reports, is that the Hamburgereтts use their "chests" while — hm, come to think of it, that's not a bad difference! Now, Don, you stop that!

TO GET BACK to Saturday, though, our gals led the whole bunch in exercises to show how they keep limbered up to be able to go through all these splits and stuff.

So far so good, but came the dawn and what happened? You guessed it — said gals were so stiff they could hardly move.

GIRLS, girls, girls, have heard the latest? Gossip, that's what — that hot and heavy play-off of the Sr. vs. Jr. girls in the 5th period gym, we hear, used not only the basketball, but fingernails and nasty names. Only thing that has us puzzled is that both sides tell the same story!

OUR MOMS say that when this Contra Costa Chest X-Ray Survey hits Contra Costa, it's going to be the biggest thing since Barnum and Bailey, and will cover the county like a blanket.

Payoff is that they're counting on us to help talk the folks into having their picture took.

Bet we could do it at that!

Your Garden

To Lime or Not to Lime?—Many Home Gardeners Have False Ideas on Subject

By BERT WRIGHT

A GOOD MANY gardeners have the habit of applying lime each year to their lawns or gardens, fearing that "sour soil" will nullify all their other gardening practices.

Actually, annual liming on the home grounds is not only wasteful, but may actually be harmful.

Farmers apply limestone only once in a crop rotation, that is, every three or four years. The reason for using lime is, of course, to decrease soil acidity. Materials used for this purpose do not leach out rapidly and annual applications may cause a build-up which in turn will cause an alkaline condition, in some respects as detrimental to plant growth as too much acidity.

LAWN GRASSES are perfectly tolerant of moderate soil acidity, and if you want to keep clover out of your lawn never lime it at all unless it is extremely acid, as determined by soil tests.

Too high a degree of alkalinity in the soil may cause certain phosphorous and iron to be chemically tied up in forms unavailable to plants.

In other cases the high calcium content of the alkaline soil causes an unbalanced nutrient status which particularly affects calcium, magnesium and boron availability.

SO BEFORE YOU spread lime the first time, have your soil tested.

If excessive acidity is indicated, make an application no more often than every three or four years.

Demonstration of Rose Care Sunday

Demonstrations of spraying and feeding roses will be held at the Oakland Municipal Rose Garden, head of Jean Street one block off Grand Avenue, at 2 p.m. Sunday, it is announced by Ernest A. Rossi, Park Board director.

"Members of the Rose Study Club of Oakland and the Oakland Park Department will cooperate in presenting a program for the benefit of home gardeners," Rossi said.

"Spraying and feeding demonstrations will be conducted by John Paul Edwards, regional director of the American Rose Society; Thomas A. Corder, president of the Rose Study Club; Otto M. Butzke, past president of the club; Dr. Charles V. Covell, past president of the American Rose Society, and Fred B. Banfield, head rosarian of the park department."

Diamond K Sez . . .

THE LAST FEW DAYS have shown unmistakable signs that spring is just around the corner. Springtime being garden time, we start thinking of all the chores that lie ahead.

This year the government is urging all of us to return to the war-time "victory garden" under the name of "liberty gardens." So, now would be the proper time to start thinking about and planning your garden.

You'd be surprised at the fun and savings that can be realized through this program. It might be a good idea for those of you who are unfamiliar with gardening to stop by at Diamond K and pick up a copy of our "Sunset Garden Book."

While planning your garden don't forget that Diamond K has the largest supply of garden tools in the valley.

ANOTHER HOUSEHOLD task with spring coming should be to brighten up the interior of your house. The Pittsburgh Paint Company has the type and color of paint to fill your every need. Pittsburgh also manufactures a complete line of accessories and sundries to make your painting easier. There are all available at Diamond K, your Pittsburgh dealer in Lafayette.

WE HAVE A LIMITED amount of coal and firewood left, so if you're running short for the winter, reorder now and don't be left out in the cold.

See you next week.

Bill Magrath
DIAMOND K SUPPLY
Mt. Diablo Blvd. Laf. 4477

Here's How to Put $$ in Your Jeans

Although one customer who entered the January "Garage Clearance" classified contest did not win the prize for the largest number of individual items listed in a classified ad during the month, she hit the sales jackpot anyway, and is more than satisfied with the results.

Her classified listed: Youth chair, baby buggy, baby bath scales, bathinette, safety gates, play pen, electric sterilizer and Baby-All sterilizer, baby clothes, Venetian blind screen, Simmons Beauty Rest studio couch, girl's bicycle, toilet and tank, bread box and miscellaneous.

EVERY ONE SOLD!

And every item was SOLD shortly after the Contra Costa Shopping News, Lafayette Sun and Orinda Sun came off the presses, with more telephone inquiries coming in well into the next week.

And then there's the customer who is only sorry he didn't have a dozen or so garden tractors to sell when the one he advertised was snapped up so quickly. He reported almost 50 phone calls inquiring about the ad, which ran as follows:

Rototiller, type garden tractor, used, Wisconsin motor, heavy duty.

And the variety of needs the classifieds fill for shoppers is evidenced, too, by the ad: "Upright piano, good condition, $75," which had a taker before noon of publication day, with four other calls from prospective buyers who called later.

Through the classified columns of the Contra Costa Shopping News, Lafayette Sun and Orinda Sun, your ads reach 51,000 prospective customers.

Schools To Be Used as Depots For X-Rays

Sixteen schools of Contra Costa will serve as depots for mobile equipment during the rapid tempo chest X-ray survey which aims at X-raying approximately 200,000 residents of the county, Coordinator Hal Weatherbe reported today.

Acalanes High School will be one of the X-ray depots with 1130 students participating.

Weatherbe, who is directing the schools' part in the survey, explained that equipment will be stationed in only those schools having a minimum 100 persons who are 15 years of age or older, including both students and adult personnel.

"A total of 16,000 persons will be X-rayed under this setup," said the coordinator. "With one exception the X-raying will take place between February 15 and April 7, dates of the general survey. The exception is Contra Costa Junior College west campus, where students will be X-rayed as they register for the new semester February 5-7."

Berkeley Junior C. of C. Honors John Greenwood

John C. Greenwood, Acacia Drive, is hailed by Berkeley Junior Chamber of Commerce as its "distinguished young man of the year." Greenwood, 32, former president of the organization and a graduate of Stanford, is now an automobile salesman.

All-around leadership and community service in 1950 was credited to Greenwood in awarding of the chamber's highest honor. It was presented at an annual "Bosses' Night" dinner at Hotel Claremont as part of national observation of Junior Chamber of Commerce Week.

President Lynn Hewitt praised Greenwood's leadership as president of the junior chamber group and as a member of the current board of directors. He was also lauded in his role of executive chairman of the 1950 fifth annual football festival and for other activities, including City Hall open house, hobby and flower show, speaker on the Hoover Commission report and employment of physically handicapped persons.

Walter Gordon, chairman of the California Adult Authority, was speaker of the evening program, which included presentation of awards to six other "key men" in the Berkeley "Jaycees."

State C of C Committee

E. Guy Warren of Hayward, general manager of the Warren Transportation Co., has been appointed a member of the California State Chamber of Commerce's statewide transportation committee by Adrien J. Falk, State Chamber president. C. E. Fleager, Orinda, is a member of this committee.

Kendric Morrish On Committee

Kendric B. Morrish of Irvine Drive, chairman of the Oakland Area Community Chest budget committee, is occupied with his co-chairman, B. H. McClure, in allocating the $809,234 available to the 36 separate agencies and programs of the organization this year.

John Hunt Family Now Living on Brown Avenue

Crippled Children's Society Elects 1951 Officers

The Crippled Children's Society of Contra Costa County appointed the following officers to serve for the current year:

Mrs. John H. Brubaker, president; Mrs. J. E. Taylor, first vice-president; Mrs. Richard J. Martyr, second vice-president; Mrs. Ethel Allred, secretary; Mrs. Harry Leonard, treasurer; and Mrs. James Hoey, auditor.

After commending the directors on the work accomplished during the past year, Mrs. Brubaker asked the cooperation of every member in the proposed program for the coming year. She then introduced two newly appointed directors, Mrs. Fred Fletcher from Pittsburg and Mrs. Gladys Thul from Richmond.

Case chairman, Mrs. J. E. Taylor, submitted a detailed report on all cases cared for by the Society for 1950. Due to the untiring efforts of this group several hundred handicapped children were definitely helped along the road to rehabilitation. The report showed that over $5,000 was expended for this work.

Mrs. Emily Axtell and Mr. Luther Bergdall, field counselors of the State Society, recently made a survey of the unmet needs for handicapped children in this county. Recommendations were made which would strengthen public health, welfare and educational programs for the handicapped.

Approval was given by the Board to the budget for the current year which was presented by Mrs. Richard Martyr. More and more appeals for aid are being received by this Society whose main objective is to respond to every one if possible.

When! Where! What! How!

Mrs. Mattson Talks to Acalanes Faculty Wives

The February meeting of the Acalanes Faculty Wives was held Wednesday evening at the home of Mrs. Lee Russell of Walnut Creek.

A resume of many of the interesting highlights of her recent trip through Asia was presented to the group by Mrs. Erwin Mattson.

County Cancer Society Meets

Covering the entire county of Contra Costa, the American Cancer Society recently held an organizational meeting at the Walnut Creek offices of Dr. M. C. Bolender.

W. Palmer Fuller, California state chairman of the society, in presenting the charter to the local area, stressed the educational and research activities of the organization.

To be known as the Contra Costa Branch of the American Cancer Society, the group is headed by R. W. Rinehart of Walnut Creek, as president; Dr. Charles J. Hart, Walnut Creek, vice-president; Mrs. Reginald Biggs, Walnut Creek, commander; Dr. L. Robert Martin, Concord, secretary; Charles Fuller, Walnut Creek, treasurer, and Dr. M. C. Bolender as chairman of the executive committee.

The cancer committee is composed of Dr. S. P. Bradshaw, Martinez; Dr. John Ellis, Martinez; Dr. Gordon Van Nuys, Walnut Creek; Dr. William B. Robert, Concord; Dr. Walter L. Taylor, Martinez, and Dr. L. H. Fraser, Richmond, ex-officio member. Post of education chairman will be held by Miss Helen Burling, Concord; chairman of industrial plants committee by R. D. Black of Columbia Steel, and deputy commanders, Mrs. Claire Schmidt of Richmond and Mrs. J. R. Lar Rieu of Walnut Creek.

Unit chairmen for this area are Mrs. John L. Gompertz, Orinda, and Mrs. W. W. Ornduff, Lafayette.

Openings in Young People's Symphony

A number of openings for young musicians of the Bay Area in the ranks of the Young People's Symphony Orchestra will afford a rare opportunity for acquiring musicianship with this nationally noted orchestra, which has resumed rehearsals after the holiday recess.

The orchestra has available an excellent French oboe, a bassoon and a timpani set of drums for the use of young musicians who wish to play these instruments with the group.

OTHER OPENINGS

Other openings are in the first and second violins and 'cello sections, according to Jessica Marcelli, director of the orchestra.

Rehearsals for the spring season are scheduled for Monday and Wednesday evenings, from 6:30 to 8 o'clock in the Willard School Auditorium, Telegraph Avenue and Ward Street in Berkeley. A spring concert, with date and place yet to be decided, is the objective for the practice sessions.

THOSE INTERESTED

Persons interested in participating in the orchestra's activities may get full particulars from Director Marcelli at her studio at 15 San Mateo Road, Berkeley.

The resumption of rehearsals follows completion of a very successful season with a capacity house concert at the Berkeley High School Community Theater, out-of-town concerts in Palo Alto, Burlingame and San Mateo, and radio broadcasts, all of which afforded the young orchestra members many advantages, experiences and pleasure.

If you would like to live some more
And in this life abide,
Then don't get out the left-hand door
Upon the traffic side.

X-Ray Speakers' Bureau Organized

Completion of a speakers' bureau to help publicize the coming county-wide chest X-ray survey is announced by William E. Haigwood, publicity director for the Contra Costa Chest X-Ray Survey, Inc.

Speakers to present all facts in connection with the X-ray program have been made available by the Contra Costa Bar Association, Mira Vista Toastmasters Club, the Berkeley Y.M.C.A. Toastmasters Club and the Richmond Bar Association.

Arrangements to obtain speakers may be made by calling survey headquarters in Richmond, BEacon 3-2530. Requests should be made a week in advance, when possible, it was pointed out.

Among those attending the recent Martinez meeting of the speakers' committee of the Bar Association at which formation of the bureau was completed were Robert J. Pedder and Clifton E. Brooks of Lafayette.

Shop at home — and save.

How to Save Money on Traffic Fines

Want to save yourself some money? Then you'd better pay that traffic violation fine promptly when you receive a citation!

That's the friendly warning of Inspector Norman Wilson of the sheriff's office, who points out that the number of arrest warrants for persons who have not paid their fines has increased greatly since the first of the year.

"Most of these warrants are so-called 'foreign' warrants, issued outside this area," Inspector Wilson said.

"Traffic violations in these cases occur in other communities, where the citations are served. If the fine is not paid promptly, a warrant is issued, and the Contra Costa County sheriff's office has to serve it."

Inspector Wilson said that the amount of the fine is usually increased in such cases. "By paying fines promptly, you can save several dollars," he said.

Wilson said that since January 2 he has received over 140 warrants for persons in Central Contra Costa County. About 100 of these, he estimated, were for persons in the Lafayette-Orinda area, and all but about 20 of them were "foreign" warrants.

San Francisco, Oakland, Alameda, Berkeley and San Rafael are among the communities from which these warrants have come.

Pandora Meets For Bridge Game

Luncheon and bridge was enjoyed at the home of Mrs. W. H. Mordy on Orchard Road by members of Pandora Chapter of the Children's Home Society of California.

This is one of Pandora's many projects to raise money for the Society. It is continued all during the year, making it possible for the members and their friends to enjoy an afternoon of bridge together, and at the same time contribute to the good work of the Society.

Guests and members of Pandora Chapter attending the luncheon were Mrs. Fred Ress, who is the president of Pandora, and Mesdames Roy Price, James Anderson, Fred Crawshaw, J. M. Long, E. Merrill, and A. Blalock.

Strike Out Polio!

Getting set to put over a strike on polio is eight-year-old Barry Brown, of Mesa, Arizona, who was stricken with infantile paralysis four and a half years ago. Thousands of youngsters like Barry have been aided by funds contributed to the annual appeal of the National Foundation for Infantile Paralysis. Join the 1951 March of Dimes and help strike out polio!

Mrs. Nicklas Has Birthday Party

Mrs. Alwilda Nicklas celebrated her 85th birthday January 16 at the home of Mr. and Mrs. Walter Nicklas, 200 Moraga Highway, with whom "Grandma" Nicklas has resided since leaving her home in Pittsburgh, Pennsylvania, nine years ago.

Her guests enjoying the birthday luncheon which began with fried chicken and ended with a huge birthday cake were Mrs. Irene Marshall, Mrs. Roy Mauvais, Mrs. Bell Bondurand, Mrs. E. A. Rodger, Mrs. Charlotte Rose, Mrs. Idress Abbott, Mrs. McFate, grandmother of Mrs. Dorothy Marshall, visiting from Long Beach, and Mrs. Arthur Smith.

They sat a long time at the table while "Grandma's" presents were opened. Presents that had come in the mail were exhibited.

Grandma Nicklas is a great reader and "up" on current events but her hobby is crocheting. She has been thrilled lately to find in the Grand Craft Center on Park Boulevard a market for her pretty and useful crocheted articles.

She and all the family were recently delighted to have a visit from their nephew, Bill Nicklas of Pennsylvania, while at Camp Stoneman, just a few days before he was sent to Korea with a military government unit in which he had also been for four years in the last war.

DANCE INSTITUTE

Final plans were formulated this week for the Second Annual Mills College Dance Institute. Hundreds of Northern California folk dance enthusiasts are expected to assemble on the Oakland campus for the Easter week event which is scheduled to run from March 17 through March 22.

Orioles Board Discusses Projects

The Orioles, Unit 1 of the Mt. Diablo Therapy Center, had a board meeting February 1 at the home of Mrs. Frank Hight.

Those present were Mesdames W. R. Arends, H. S. Wise, G. C. Brown, R. C. Diehl, A. F. Nelson, E. L. Bargones and the president, Mrs. Carl Wellington Smith. After serving of luncheon the group heard reports of officers present and decided upon a number of social and money raising projects to be presented to the Orioles at their next meeting Wednesday at the home of Mrs. A. A. Schmidt, 176 Lombardy Lane, at 12 noon.

Greenlaws Return From Hawaii Trip

After six weeks of visiting in the Hawaiian Island group, and enjoying the wonderful entertainment there, the Wallace W. Greenlaws are back in Orinda. While there, they found the George Russells were also enjoying a Hawaiian sojourn.

Seafarers Tell Unusual Stories

The Seafarers had a jolly cruise last Friday evening to the Lance Barden home.

After the serving of dessert, the fun included telling of stories improbable and others true but stranger than fiction.

Among interesting ones told was that of E. J. Fowler. He said that, after their usual winter stay in Orinda last year they returned to their farm in Oshkosh, Wisconsin, in April and found that Lake Winnebago on which their farm borders was frozen over and as usual swarming with many cars whose occupants had come to fish for lake trout through holes cut in the ice. But this day a sudden warm wind from the west blew up and in a few minutes the ice parted from the shore. By quick action a few cars got to land over planks neighbors laid for them to the drifting ice, but most of them had to drive quickly to the opposite shore, while a few had to spend the night on the ice.

The next meeting of the Seafarers will be a potluck dinner and George Washington party held at the church on February 23.

Lowe Returns From Conclave

American industry is in far better position to take on special assignments in the war emergency and still maintain a fair flow of goods to meet consumer needs than it was before World War II, according to Maynard Lowe, of 25 Brookside Road, sales representative of the W. A. Sheaffer Pen Company in the California area.

Lowe said this was the "definite impression" he got during a three-day national convention of the pen company's salesmen and sales executives at the plant in Fort Madison, Iowa, from which he recently returned.

"The sober but confident comments of Charles E. Wilson, upon taking his new post as defense production head, that the country's productive ability far exceeds that of a decade ago, were reflected in the Sheaffer company's expanded plans for 1951 advertising in newspapers and magazines and in the attitude held by Sheaffer officials toward production and sales plans for 1951," Lowe said. This, he added, seems to be the mood prevailing in most industries.

National brands at regular prices — here at home.

Jack Oakley at Navy Boot Camp

Jack Oakley, 19-year-old son of Mr. and Mrs. Herbert Oakley of 16 Vallecito Lane, is now at Navy "boot camp" at San Diego .

He signed up for the Navy over a month ago, and recently was picked out of 150 enlisted men to enter training. Before leaving San Francisco for San Diego, Jack Oakley was placed in charge of 50 men. His parents have learned that he is a squad leader.

Jack, who graduated from Acalanes High School last June, was a first year engineering student at the East Campus of Contra Costa Junior College before joining the Navy.

Court Fight Over Home Completion

A Berkeley contractor is finishing construction of the Caspar E. Lerch home on Charles Hill Road following granting of an injunction against R. S. Blake and the Blake Construction Company, who started the work last April 15.

Superior Judge Homer W. Patterson granted the restraining order on the petition of Lerch, hosiery mills executive. The owner's attorney, Matthew Walker, said the trouble began when the Pierce-Lathrop Building Company was brought in to complete the work last December 27, when the house was about nine-tenths constructed.

Lerch charged that delays encountered were unnecessary and that he and his family wanted to move into the new home. He had contracted with Blake to build it at a cost of $19,000.

OTHERS COMPLETED

The owner said the builder had completed three other houses in the vicinity, although pleading supply shortages as reason for not finishing his home.

Lerch's attorney said another dispute between owner and builder involved about $600 worth of extras supposed to go into the home. Blake wanted to be paid before they were installed and Lerch wanted to wait until the final work completion, the lawyer said.

More friction was caused when the Berkeley builders took over and put locks on windows and doors. Blake is accused of having taken them off to put his own on and proceeding with some of the work.

OTHER SIDE

Blake's attorney, Terrance Ring, told Judge Patterson he believed the contractor could not be legally locked out of a house he had contracted to build and had not finished. The judge ruled to the contrary in granting the injunction.

Walker said Blake had been paid all but $7,800 which his client is still holding pending settlement of the issue.

Mills Club Plans Meeting Tuesday

Orinda Mills Club will meet Tuesday night, at 8 p.m. at the home of Mrs. Tom Cooper, Charles Hill Circle. Barbara Crawford and Margaret Reuttel of the Mills College alumnae office will be special guests.

Any prospective Mills students in the area are urged to contact Miss Crawford at this time. Orinda club members are invited to dine with Miss Crawford and Miss Reuttel preceding the 8 p.m. meeting. Please meet at 6 p.m. at the Orinda Theater on Tuesday.

Surprise Baby Shower Given

Mrs. A. W. Reid and Mrs. Norman Green were joint hostesses for a lunch and surprise baby shower given to honor Mrs. Joe Conley.

Attending were Mesdames Robert Bigler, Bernard Ginsburg, H. Benning, A. D. Blalock, Ken Stringer, L. C. Holland, Kent Holland, Abe Doty, Uriel Smith, J. H. Schwarck, Ben Randall and Robert Snerringer.

Guild to Hold Benefit Food Sale

The Women's Guild of Orinda Community Church will have a food sale tomorrow in Frank's Orinda Hardware.

Saturday morning shoppers can buy homemade and delicious pies, cakes, cookies, candies, coffee cakes, and cooked casserole dishes. It will be an excellent opportunity to purchase a dessert or a treat for the weekend. The sale is under the direction of Mrs. D. M. Anderson, ways and means chairman.

Clipper Club Picks Meeting Date

The Clipper Club this month and on all succeeding months will meet on the last Friday of the month.

The February meeting will be on the 23rd at the Ogden home, 19 Piedmont Avenue, Orinda. The group will be entertained by Mrs. Clyde S. Lamborn and daughter who will talk and show slides of their recent trip to Europe.

In charge of the refreshments will be the chefs of the evening, Mr. and Mrs. William Penn Mott, and Mr. and Mrs. Ted Schilling.

Neuenschwander Baby Christened

The baby daughter of Mr. and Mrs. Duane Haugen Neuenschwander was given the name of Nora Frances at a christening ceremony Sunday in Orinda's Santa Maria Church.

The baby wore her mother's christening robe for the ceremony, at which the Rev. Thomas Scahill officiated.

Later in the day, a family gathering was held at the Neuenschwanders' home on Claremont Drive, where little Nora Frances was honored by a champagne toast. The baby was born November 23.

Morrows Return

The Fred Morrows have returned to Orinda following a trip south with their daughter, Dorothy, who enrolled at University of California at Santa Barbara. Dorothy will major in music.

Valentines Theme At Birthday Parties

Birthday parties featured valentines this week.

NANCY BUTLER

Nancy Butler celebrated her sixth birthday on Saturday afternoon, Feb. 3. Games and movies, refreshments and gay valentine decorations were enjoyed by Nancy Henry, Nancy Vail, Nancy Swabel, Nancy Hanley, Rosemarie Nioci, Douglas Silva, Peter Fowler, Wesley Olsen, Hester Harris, Susie Bonds, Margo Anthonison, Holly Hall and Marilyn McManus.

TOMMY RICHARDS

Tommy Richards invited neighborhood children on Tuesday, January 23, to join with him in ice cream and cake followed by the showing of movies. The occasion was his sixth birthday.

NANCY VEITCH

Nancy Veitch was ten years old Sunday, February 4, and celebrated with a valentine party at which dessert was served and games played. Her guests were Margaret Healy, Linda Everhard, Linda Lou McMacken, Judy Gompertz, Yvonne Nicole, Sandra Rundel, Jean Bodfish, Patsy Jackson, Gwenie Buxton, Susan Ray, Susan Friedman, Penny Marsh, Cheryl Rasmussen, Judy Henderson, Kristine Romine, Catherine Coombs, Sally Johnson, Rachel Elliot, Suzanne Walker, Joey Tuttle, Judy Swanson, Stephane Jensen and Mary Dean.

LOLITA BOYSEN

Lolita Boysen combined valentines and her eighth birthday for a gala party on Saturday, February 3. Little heart shaped cakes and heart ice cream was served. Later movies were shown. Her guests included Tommy and Dickie Miles, Judy and Kathy Strauss, Michael and Mary Davis, Denis and Tarry McCann, Susan and Tommy Kisner, Pat and Judy Murphy, Cherie Sharp, Joe Taylor, Jean Patton, Ricky Goerls, Luzanne Land, Debbie Smith, Cindy Rasmussen, Freddie Lamb, Virginia Gibbons, Sylvia Bolman, Peter Telfer, Pagett aGthings and Stanley and Carol Duncan.

SUSAN KISNER

Susan Kisner was eight years old on Friday, February 2, and had the following friends as her guests: Joan Borden, Patty Brown, Susan Jensen, Sandra Thurston, Jane Lowman, Karen Oelschlager, Cindy Rasmussen, Virginia Gibbons, Sally Young, Carol Marsh, Lolita Boysen, Debra Smith, Patsy Smith, Tommy Kisner, Cheri Sharp, Janice Twining and Carolyn Cullen.

KAREN MATTRESS

The valentine theme predominated at Karen Mattress' fourth birthday party given at her parents' Tara Road home on February 3. She is the daughter of Mr. and Mrs. K. F. Mattress. Attending were the honoree's sister, Susan, her brother, Kenny, Maurine Daily, Sherrill Pauley, Pat and Kathy McGowan, Joanne Burman, Randy and Laurie Fox, Jim Pierce and Candy and Karen Bettencourt.
